

Ohio Administrative Code Rule 3745-24-01 Definitions.

Effective: September 23, 2022

(A) Except as otherwise provided in this rule, the definitions in rule 3745-15-01 of the Administrative Code apply to this chapter.

(B) As used in this chapter:

(1) "Actual emissions" means the rate at which an air contaminant is actually emitted into the ambient air.

(2) "Oxides of nitrogen (NO_x)" means all oxides of nitrogen which are determined to be ozone precursors, including but not limited to, nitrogen oxide and nitrogen dioxide, but excluding nitrous oxide.

(3) "R&D sources" means research and development sources, as defined in division (P) of section 3704.01 of the Revised Code.

(4) "Submit" or "submitted" means to present, or to have presented, to the Ohio environmental protection agency a document that is required under this chapter, and to have that document received by the Ohio environmental protection agency by midnight on the due date specified in this chapter. Date of the receipt of the document is demonstrated by the postmark date, if sent by United States postal service; the shipping date of a commercial delivery service; the electronic signature date, if submitted through the Ohio environmental protection agency's electronic reporting system; the received-on date for submittals received by other means of electronic transmission; or the date of the signature of the Ohio environmental protection agency employee receiving the document, if hand delivered in person to the Ohio environmental protection agency.

(5) "Volatile organic compounds (VOC)" has the same definition as that contained in rule 3745-21-01 of the Administrative Code.
