

Ohio Administrative Code

Rule 3769-13-13 No money wagered on win horse in win pool.

Effective: May 21, 1990

If a horse should be adjudged to have finished first in a heat or race and no money has been wagered on the horse in the win pool, the net win pool shall be distributed to those who wagered in the win pool on the horse adjudged to have finished second, or to the classes of wagerers who wagered on the horses adjudged to have finished in a dead heat for second position; and if no money has been wagered on such horse or horses, then to those who wagered in the win pool on the horse adjudged to have finished third, or to the classes of wagerers who wagered on the horses adjudged to have finished in a dead heat for third position. If none of the above apply, then a complete refund of the gross win pool shall be made to those who purchased win tickets.
