

Ohio Administrative Code

Rule 3769-16-11 Moving and racing restrictions of claimed horse.

Effective: October 5, 2006

(A) No horse claimed in Ohio shall race at any other track in the state until the close of the current meeting at the track at which the claim was made or for thirty days, whichever is the shorter period of time, unless by permission of the judges at the meeting. If a claimed horse is eligible to added money races at an Ohio track other than where he was claimed, the horse may race at the other track in those races only.

(B) Unless by permission of the commission or its executive director, no horse claimed in Ohio may be raced in another state for sixty days.
