

Ohio Administrative Code

Rule 3772-11-18 Transportation of table game mechanisms and gaming chips.

Effective: May 2, 2022

(A) A casino operator must notify the executive director at least five days in advance of a proposed transportation of table game mechanisms or gaming chips and comply with any conditions imposed by the executive director. The notice must include the following information:

- (1) The full name and address of the licensee causing transportation of the table game mechanisms or gaming chips;
- (2) The full name and address of the entity receiving the table game mechanisms or gaming chips;
- (3) The quantity, manufacturer's make, model, and identifying number, including the approved artwork number, of each item, if applicable;
- (4) The expected date the table game mechanisms or gaming chips will be transported; and
- (5) The expected date of delivery of the table game mechanisms or gaming chips.

(B) Nothing in this rule prohibits the transportation of any table game mechanisms or gaming chips going to different destinations from being transported by the same carrier simultaneously, provided the table game mechanisms or gaming chips for each destination are physically segregated.
