

Ohio Administrative Code

Rule 4747-1-14 Trainees.

Effective: January 1, 2023

(A) The activities of the holder of a hearing aid dealers and fitters trainee permit, while engaged in the practice of dealing in or fitting of hearing aids as defined by section 4747.01 of the Revised Code, shall be supervised by an individual who is a licensed hearing aid dealer or fitter. It shall be the responsibility of the trainee to maintain communication with the supervisor and to inform said supervisor of all acts and deeds in the pursuance of selling and/or fitting hearing aids. "Acts and deeds" include, but are not limited to, the following: meeting with a user or potential user; performing tests as defined in rule 4747-1-19 of the Administrative Code; taking of an earmold impression(s); and fitting and/or selling of hearing aids.

(B) "Supervision," as required by section 4747.10 of the Revised Code, means that:

(1) During the effective period of the trainee permit, the trainee and that trainee's supervisor shall co-sign, with a signature and license number, all forms, reports of audiometric and other tests, and any other documents prepared by the trainee or the supervisor in conjunction with the trainee in the process of testing human hearing or fitting or selling a hearing aid or hearing aids.

(2) During the ninety calendar days immediately following the effective date of the trainee permit as shown thereon, a supervisor must be physically present with a trainee who is engaged in the fitting or selling of hearing aids.

(3) Prior to submitting an application for a hearing aid fitter license or upon expiration of the trainee permit or a renewal thereof, the trainee permit holder shall submit to the board a "Trainee Supervision Report" attesting that the trainee permit holder and supervisor have complied with all the supervision requirements under section 4747.10 of the Revised Code and this rule.

(4) In order to ensure that meaningful supervision is available to each person engaged in training to become a licensed hearing aid dealer and fitter, no person, firm, partnership, association or corporation shall employ or have any form of relationship with more persons who hold hearing aid

dealers and fitters trainee permits than it employs persons who hold hearing aid dealers and fitters licenses. Any licensed hearing aid dealer and fitter acting as a supervisor must be licensed for at least two years. No one licensee may supervise more than two trainees at any time. For the purpose of interpreting this rule, all persons in an organization who hold hearing aid dealers and fitters licenses shall be considered employees. However, no trainee shall be required to leave the place of employment simply because the licensed supervisor leaves. The trainee shall be permitted to work under the supervision of another licensed person until the board is properly notified of the change in supervision within three working days. No trainee may serve under more than one supervisor at a time.

(5) It shall be the responsibility of the trainee to submit to the supervisor all testing and sales documents pertinent to each sale, whether consummated or not. Failure to do so shall be considered a violation of division (M) of section 4747.12 of the Revised Code and paragraph (C)(2) of rule 4747-1-15 of the Administrative Code.
