

Ohio Administrative Code

Rule 4759-5-04 Additional nutritional activities exemption.

Effective: [March 15, 2003](#)

For purposes of division (D) of section 4759.10 of the Revised Code, the board hereby permits the woman, infant, and children's program which is part of the Ohio department of health and known as "W.I.C.", to designate a person to engage in providing such additional nutritional activities as are necessary to operate its programs, providing reasonable efforts to obtain the services of a licensee have failed. The department shall file the designation indicating the time period with the board. The designation shall expire at the end of one hundred eighty days. The designation may be renewed for additional one-hundred-eighty-day periods by action of the board.
