

## Ohio Administrative Code Rule 4901:1-35-05 Technical conference.

Effective: June 19, 2023

---

Upon filing of a standard service offer application, the commission, legal director, deputy legal director, or attorney examiner will schedule a technical conference. The purpose of the technical conference is to allow interested persons an opportunity to better understand the electric utility's application. The electric utility will have the necessary personnel in attendance at this conference so as to explain, among other things, the structure of the filing, the work papers, the data sources, and the manner in which methodologies were devised. The conference will be held at the commission offices, unless the commission, legal director, deputy legal director, or attorney examiner determines otherwise.
