

Ohio Administrative Code

Rule 5501:1-3-01 Prior approval by the office of aviation required.

Effective: June 22, 2023

No pilot shall operate an aircraft nor shall any owner allow any aircraft to operate from any public land or water owned or controlled by the state of Ohio, or by any political subdivision thereof, except under such rules governing the operation of aircraft thereon, unless the office of aviation has inspected, approved and issued a certificate for the landing area.
