

If the sample of individuals is this size...	...then the sample of employees, excluding RNs and LPNs, is this size.	If the provider hired or contracted with an RN, or LPN under the direction of an RN, then the sample of employees increases by the number of RNs or LPNs in this column, or by the total number of RNs or LPNs if that number is less than the number in this column.
0-3	3	2
4-7	4	2
8-11	5	3
12-15	6	3
16-19	7	3
20-23	8	4
24-27	9	4
28-30	10	5
