

3356-4-10 University health and safety.

- (A) Policy statement. The university will develop and maintain programs to prevent health and safety hazards on the campus. Such programs shall be in compliance with, but not limited to, all local, state, and federal statutes pertaining to health, safety, and the environment.
- (B) Parameters.
- (1) The office of environmental and occupational health and safety (“EOHS”) has the responsibility of establishing appropriate environmental, health, and safety programs and activities.
 - (2) EOHS, in consultation with the office of the general counsel, is also responsible for keeping the university in compliance with local, state, and federal laws affecting the campus environment and the health and safety of all students, faculty, staff, and campus visitors.
- (C) Procedures.
- (1) EOHS will distribute information on all health and safety programs. Other departments may assist in the distribution of this information.
 - (2) EOHS will periodically conduct seminars and workshops relating to health, safety, and environmental matters.
 - (3) University employees and students are expected to follow all applicable health, safety, and environmental programs so that the university can prevent health and safety hazards on the campus.
