

Ohio Revised Code

Section 9.54 Accessibility signs.

Effective: July 3, 2019

Legislation: House Bill 62 - 133rd General Assembly

Whoever erects or replaces a sign containing the international symbol of access shall do both of the following:

(A) Use forms of the word "accessible" rather than forms of the words "handicapped" or "disabled" whenever words are included on the sign;

(B) For the international symbol of access, use a logo that depicts a dynamic character leaning forward with a sense of movement.
