

Ohio Revised Code

Section 4511.69 Parking requirements.

Effective: April 6, 2023

Legislation: House Bill 281

(A) Every vehicle stopped or parked upon a roadway where there is an adjacent curb shall be stopped or parked with the right-hand wheels of the vehicle parallel with and not more than twelve inches from the right-hand curb, unless it is impossible to approach so close to the curb; in such case the stop shall be made as close to the curb as possible and only for the time necessary to discharge and receive passengers or to load or unload merchandise. Local authorities by ordinance may permit angle parking on any roadway under their jurisdiction, except that angle parking shall not be permitted on a state route within a municipal corporation unless an unoccupied roadway width of not less than twenty-five feet is available for free-moving traffic.

(B) Local authorities by ordinance may permit parking of vehicles with the left-hand wheels adjacent to and within twelve inches of the left-hand curb of a one-way roadway.

(C)(1)(a) Except as provided in division (C)(1)(b) of this section, no vehicle or trackless trolley shall be stopped or parked on a road or highway with the vehicle or trackless trolley facing in a direction other than the direction of travel on that side of the road or highway.

(b) The operator of a motorcycle may back the motorcycle into an angled parking space so that when the motorcycle is parked it is facing in a direction other than the direction of travel on the side of the road or highway.

(2) The operator of a motorcycle may back the motorcycle into a parking space that is located on the side of, and parallel to, a road or highway. The motorcycle may face any direction when so parked. Not more than two motorcycles at a time shall be parked in a parking space as described in division (C)(2) of this section irrespective of whether or not the space is metered.

(D) Notwithstanding any statute or any rule, resolution, or ordinance adopted by any local authority, air compressors, tractors, trucks, and other equipment, while being used in the construction, reconstruction, installation, repair, or removal of facilities near, on, over, or under a street or

highway, may stop, stand, or park where necessary in order to perform such work, provided a flagperson is on duty or warning signs or lights are displayed as may be prescribed by the director of transportation.

(E) Accessible parking locations and privileges for persons with disabilities that limit or impair the ability to walk shall be provided and designated by all political subdivisions and by the state and all agencies and instrumentalities thereof at all offices and facilities, where parking is provided, whether owned, rented, or leased, and at all publicly owned parking garages. The locations shall be designated through the posting of an elevated sign, whether permanently affixed or movable, imprinted with the international symbol of access and shall be reasonably close to exits, entrances, elevators, and ramps. All elevated signs posted in accordance with this division and division (C) of section 3781.111 of the Revised Code shall be mounted on a fixed or movable post, and the distance from the ground to the bottom edge of the sign shall measure not less than five feet. If a new sign or a replacement sign designating an accessible parking location is posted on or after October 14, 1999, there also shall be affixed upon the surface of that sign or affixed next to the designating sign a notice that states the fine applicable for the offense of parking a motor vehicle in the designated accessible parking location if the motor vehicle is not legally entitled to be parked in that location.

(F)(1)(a) No person shall stop, stand, or park any motor vehicle at accessible parking locations provided under division (E) of this section or at accessible clearly marked parking locations provided in or on privately owned parking lots, parking garages, or other parking areas and designated in accordance with that division, unless one of the following applies:

(i) The motor vehicle is being operated by or for the transport of a person with a disability that limits or impairs the ability to walk and is displaying a valid removable windshield placard or accessible license plates;

(ii) The motor vehicle is being operated by or for the transport of a person with a disability and is displaying a parking card or accessible license plates.

(b) Any motor vehicle that is parked in an accessible marked parking location in violation of division (F)(1)(a)(i) or (ii) of this section may be towed or otherwise removed from the parking location by the law enforcement agency of the political subdivision in which the parking location is located. A

motor vehicle that is so towed or removed shall not be released to its owner until the owner presents proof of ownership of the motor vehicle and pays all towing and storage fees normally imposed by that political subdivision for towing and storing motor vehicles. If the motor vehicle is a leased vehicle, it shall not be released to the lessee until the lessee presents proof that that person is the lessee of the motor vehicle and pays all towing and storage fees normally imposed by that political subdivision for towing and storing motor vehicles.

(c) If a person is charged with a violation of division (F)(1)(a)(i) or (ii) of this section, it is an affirmative defense to the charge that the person suffered an injury not more than seventy-two hours prior to the time the person was issued the ticket or citation and that, because of the injury, the person meets at least one of the criteria contained in division (A)(1) of section 4503.44 of the Revised Code.

(2) No person shall stop, stand, or park any motor vehicle in an area that is commonly known as an access aisle, which area is marked by diagonal stripes and is located immediately adjacent to an accessible parking location provided under division (E) of this section or at an accessible clearly marked parking location provided in or on a privately owned parking lot, parking garage, or other parking area and designated in accordance with that division.

(G) When a motor vehicle is being operated by or for the transport of a person with a disability that limits or impairs the ability to walk and is displaying a removable windshield placard or a temporary removable windshield placard or accessible license plates, or when a motor vehicle is being operated by or for the transport of a person with a disability and is displaying a parking card or accessible license plates, the motor vehicle is permitted to park for a period of two hours in excess of the legal parking period permitted by local authorities, except where local ordinances or police rules provide otherwise or where the vehicle is parked in such a manner as to be clearly a traffic hazard.

(H) No owner of an office, facility, or parking garage where accessible parking locations are required to be designated in accordance with division (E) of this section shall fail to properly mark the accessible parking locations in accordance with that division or fail to maintain the markings of the accessible locations, including the erection and maintenance of the fixed or movable signs.

(I) Nothing in this section shall be construed to require a person or organization to apply for a

removable windshield placard or accessible license plates if the parking card or accessible license plates issued to the person or organization under prior law have not expired or been surrendered or revoked.

(J)(1) Whoever violates division (A) or (C) of this section is guilty of a minor misdemeanor.

(2)(a) Whoever violates division (F)(1)(a)(i) or (ii) of this section is guilty of a misdemeanor and shall be punished as provided in division (J)(2)(a) and (b) of this section. Except as otherwise provided in division (J)(2)(a) of this section, an offender who violates division (F)(1)(a)(i) or (ii) of this section shall be fined not less than two hundred fifty nor more than five hundred dollars. An offender who violates division (F)(1)(a)(i) or (ii) of this section shall be fined not more than one hundred dollars if the offender, prior to sentencing, proves either of the following to the satisfaction of the court:

(i) At the time of the violation of division (F)(1)(a)(i) of this section, the offender or the person for whose transport the motor vehicle was being operated had been issued a removable windshield placard that then was valid or accessible license plates that then were valid but the offender or the person neglected to display the placard or license plates as described in division (F)(1)(a)(i) of this section.

(ii) At the time of the violation of division (F)(1)(a)(ii) of this section, the offender or the person for whose transport the motor vehicle was being operated had been issued a parking card that then was valid or accessible license plates that then were valid but the offender or the person neglected to display the card or license plates as described in division (F)(1)(a)(ii) of this section.

(b) In no case shall an offender who violates division (F)(1)(a)(i) or (ii) of this section be sentenced to any term of imprisonment.

An arrest or conviction for a violation of division (F)(1)(a)(i) or (ii) of this section does not constitute a criminal record and need not be reported by the person so arrested or convicted in response to any inquiries contained in any application for employment, license, or other right or privilege, or made in connection with the person's appearance as a witness.

The clerk of the court shall pay every fine collected under divisions (J)(2) and (3) of this section to the political subdivision in which the violation occurred. Except as provided in division (J)(2) of this section, the political subdivision shall use the fine moneys it receives under divisions (J)(2) and (3) of this section to pay the expenses it incurs in complying with the signage and notice requirements contained in division (E) of this section. The political subdivision may use up to fifty per cent of each fine it receives under divisions (J)(2) and (3) of this section to pay the costs of educational, advocacy, support, and assistive technology programs for persons with disabilities, and for public improvements within the political subdivision that benefit or assist persons with disabilities, if governmental agencies or nonprofit organizations offer the programs.

(3) Whoever violates division (F)(2) of this section shall be fined not less than two hundred fifty nor more than five hundred dollars.

In no case shall an offender who violates division (F)(2) of this section be sentenced to any term of imprisonment. An arrest or conviction for a violation of division (F)(2) of this section does not constitute a criminal record and need not be reported by the person so arrested or convicted in response to any inquiries contained in any application for employment, license, or other right or privilege, or made in connection with the person's appearance as a witness.

(4) Whoever violates division (H) of this section shall be punished as follows:

(a) Except as otherwise provided in division (J)(4) of this section, the offender shall be issued a warning.

(b) If the offender previously has been convicted of or pleaded guilty to a violation of division (H) of this section or of a municipal ordinance that is substantially similar to that division, the offender shall not be issued a warning but shall be fined not more than twenty-five dollars for each parking location that is not properly marked or whose markings are not properly maintained.

(K) As used in this section:

(1) "Person with a disability" means any person who has lost the use of one or both legs or one or both arms, who is blind, deaf, or unable to move without the aid of crutches or a wheelchair, or
