(B) An applicant for a special activity license shall submit to the board all of the following information:

(1) Evidence that the applicant holds a current, unrestricted license to practice genetic counseling issued by another state or, if the applicant practices genetic counseling in another state that does not license genetic counselors, evidence that the applicant is a certified genetic counselor;

(2) Evidence that the applicant has actively practiced genetic counseling within the two-year period immediately preceding application;

(3) The name of the applicant's sponsoring institution or organization, a statement of need for genetic counseling from the sponsoring institution or organization, and the name of the rare disease for which the applicant will be practicing genetic counseling in this state.

(C) At the time an application is submitted, the applicant shall pay a fee of twenty-five dollars. No part of the fee shall be returned to the applicant or transferred for purposes of another application.
