

Ohio Revised Code

Section 4903.082 Right of discovery.

Effective: January 11, 1983

Legislation: Senate Bill 378 - 114th General Assembly

All parties and intervenors shall be granted ample rights of discovery. The present rules of the public utilities commission should be reviewed regularly by the commission to aid full and reasonable discovery by all parties. Without limiting the commission's discretion the Rules of Civil Procedure should be used wherever practicable.
