

## Ohio Revised Code

### Section 4928.641 Costs being recovered through bypassable charge.

Effective: September 12, 2014

Legislation: Senate Bill 310 - 130th General Assembly

---

(A) If an electric distribution utility has executed a contract before April 1, 2014, to procure renewable energy resources and there are ongoing costs associated with that contract that are being recovered from customers through a bypassable charge as of the effective date of S.B. 310 of the 130th general assembly, that cost recovery shall continue on a bypassable basis until the prudently incurred costs associated with that contract are fully recovered.

(B) Division (A) of this section applies only to costs associated with the original term of a contract described in that division and entered into before April 1, 2014. This section does not permit recovery of costs associated with an extension of such a contract. This section does not permit recovery of costs associated with an amendment of such a contract if that amendment was made on or after April 1, 2014.
