

Ohio Revised Code

Section 503.07 Conformity of boundaries.

Effective: October 20, 1961

Legislation: House Bill 329 - 104th General Assembly

When the limits of a municipal corporation do not comprise the whole of the township in which it is situated, or if by change of limits of such corporation include territory lying in more than one township, the legislative authority of such municipal corporation, by a vote of the majority of the members of such legislative authority, may petition the board of county commissioners for a change of township lines in order to make them identical, in whole or in part, with the limits of the municipal corporation, or to erect a new township out of the portion of such township included within the limits of such municipal corporation. The board, on presentation of such petition, with the proceedings of the legislative authority authenticated, at a regular or adjourned session, shall upon the petition of a city change the boundaries of the township or erect such new township, and may upon the petition of a village change the boundaries of the township or erect such new township.
