3. Length of employment contract 4

≥ 3 years = 4

2 years = 2

1 year = 0

4. Amount of Loan Balance

Score is related to obligation period. For example, if the physician owes \$40,000 or less, he/she must fulfill a minimum obligation to practice at least 2 years in the HRSA. Therefore, in this case, a score of 0 will be given to an application with a \$0 - \$40,000 loan balance.

Loan Balance: 4

> \$60,000 = 4

\$40,001 - \$60,000 = 2

\$0 - \$40,000 = 0

Physicians receiving highest total scores will be recommended.
