

**Schedule for Cleaning and Sanitizing Items**

To **clean**: Wash the surface or item with a detergent solution or other appropriate commercial product used for cleaning purposes for the item you are cleaning and rinse the surface or item. Questions about products must be directed to the manufacturer of the product. Follow the manufacturer's instructions exactly.

To **sanitize**: The center must use a commercial product registered by the United States Environmental Protection Agency (US EPA) as a sanitizer that has directions for use that are appropriate for the surface or item you are sanitizing. Questions regarding commercial products must be directed to the manufacturer of the product or the US EPA. Follow manufacturer's instruction exactly when using any product to sanitize.

**All bottles of cleaners and sanitizers must be labeled with the contents.**
