

Health Training Courses

Course Content for First Aid

1. Follows guidelines, including length of training time, and curriculum designed for child day camp staff by an Ohio department of job and family services (ODJFS) or an American camp association (ACA) approved health organization.
2. May include cardiopulmonary resuscitation (CPR) training.
3. Is valid for the number of years indicated on the card or form provided by the approved health organization.
4. May be updated by completion of a three-hour review course covering the same topics or completion of the full course.

Course Content for CPR

1. Follows guidelines, including length of training time and curriculum designed by an ODJFS or an ACA approved health organization.
2. Is appropriate for all age groups the child day camp is currently serving.
3. Is valid for the number of years as indicated on the card or form provided by the approved health organization.

Course Content for Management of Communicable Diseases

1. Follows guidelines and curriculum designed for child day camp staff by an ODJFS or ACA approved health organization or is at least six hours in length and follows the ODJFS/ODH curriculum for child care staff members. Is valid for three years.
2. May be updated by completing a three-hour review course covering the same topics to meet annual training requirements.
