

Ohio Administrative Code

Rule 102-5-13 Financial disclosure statement complaints.

Effective: January 1, 2002

(A) The commission may file a complaint against a person who fails to file a complete financial disclosure statement as required by law pursuant to section 102.06 of the Revised Code.

(B) The commission may file a complaint against a person who filed a financial disclosure statement that contains information that the filer knows, or has reason to know, is false.
