

Ohio Administrative Code Rule 109:2-18-07 Program funding.

Effective: [October 12, 2007](#)

(A) Funding for the reimbursement of continuing professional training may come from a variety of funding sources. As funding sources change over time, the reimbursement requirements may change to reflect the focus of the funding source. No later than October fifteen of each year, the executive director shall notify the appointing authorities, in writing, of the training and reimbursement requirements for the upcoming calendar year.
