

Ohio Administrative Code

Rule 109:2-6-10 Credit for prior equivalent training.

Effective: July 7, 2002

A person requesting credit for prior equivalent firearms training must submit documentation of successful completion of training and the course curriculum to the executive director for review. The executive director, in reviewing said training, shall consider the number of hours, subject matter, instructor qualification, final student evaluation, and if the course was certified by an accrediting agency in determining equivalency.
