

Ohio Administrative Code Rule 109:4-1-10 Description of forms.

Effective: December 29, 2014

(A) The forms used by the office of the attorney general, consumer protection section shall include:

(1) The complaint form- The complaint form shall be available on the internet and/or sent to all consumers who wish to register consumer complaints via telephone and to those persons who have provided insufficient information. This form shall be designed to elicit complete information from the consumer regarding the transaction with and complaint against the supplier, or complaints determined to be within the jurisdiction of the consumer protection section.

(2) Public records request- A public records request form shall be available on the internet or sent to any person requesting a public record in order to obtain specific information needed to complete the request.

(3) Education/community outreach request- A form shall be available on the internet for requesting a speaker or participant at any public event.

(4) Registration forms- Forms may be available for submission of all supplier registration requirements including telemarketing, , and dispute resolution programs.

(B) The consumer protection section shall utilize such other forms as may be deemed appropriate to further the objectives set out in this rule.
