

Ohio Administrative Code

Rule 111:2-6-01 Scope, applicability and construction of rules.

Effective: February 19, 2026

(A) Applicability.

These rules prescribe the procedure to be followed in all matters before the ohio election integrity commission, whether brought by referral pursuant to section 3517.16 of the Revised Code or by request for advisory opinion pursuant to divisions (B)(2) and (D) of section 3517.15 of the Revised Code.

(B) Construction.

These rules shall be construed and applied to effect due process, just results, fair, impartial, speedy and sure administration, simplicity in procedure, elimination of delay, unnecessary expense and all other impediments to the expeditious administration of the election laws under the jurisdiction of the commission.
