

Ohio Administrative Code Rule 122:27-1-04 Criteria for loan approval.

Effective: April 11, 2016

(A) Applicants must provide evidence of a direct link between the lakes condition as a distressed lake and the applicants economic circumstances by describing the applicants economic dependence upon the distressed lake.

(B) Applicants must demonstrate that the loan will help to achieve long-term economic stability in the distressed lake area, pursuant to division (C)(1)(c) of section 122.641 of the Revised Code.
