

Ohio Administrative Code Rule 123:2-14-01 Definitions.

Effective: [October 9, 2020](#)

The following definitions apply to this chapter.

- (A) "Association" means an association organized pursuant to Chapter 1785. of the Revised Code.
- (B) "Bidder" means any individual(s) that intend to submit or does submit a bid or a proposal to the state of Ohio for the purpose of entering into an agreement or contract.
- (C) "Contract" means any agreement or subcontract with the state to provide goods or information technology, construction, architecture, engineering, or professional services.
- (D) "Contractor" means any entity including a sole proprietorship, partnership, corporation, limited liability company, or joint venture that enters into a contract with the state of Ohio.
- (E) "Control" means the at least fifty-one per cent eligible owner(s) possess the authority to control (but not limited to) management and policy decisions, day-to-day operations, personnel, major decisions, and the direction of the business.
- (1) Control is comprised of (but not limited to) three parts: operational control, managerial control, and independence. The at least fifty-one per cent eligible owner(s) are to have technical competence, managerial ability, and knowledge directly related to the type of business in which the business is engaged.
- (2) The at least fifty-one per cent eligible owner(s) have the ability to intelligently and critically evaluate information presented by other participants in the business's activities and to use this information to make independent decisions concerning the business's daily operations, management, and policymaking. Generally, expertise limited to only office management, administration, or bookkeeping functions unrelated to the principal business activities of the business is insufficient to demonstrate control.

(3) The at least fifty-one per cent eligible owner(s) cannot engage in other business interests that conflict with the management of the business or prevent the individual(s) from devoting sufficient time and attention to the affairs of the business to control its activities. For example, absentee ownership of a business and part-time work in a full-time business are not viewed as constituting control. However, an individual could be viewed as controlling a part-time business that operates only on evenings and/or weekends, if the individual controls it at all times it is operating.

(4) The applicant business or certified business is to be independent; its viability cannot depend on its relationship with an individual(s) or another business(es).

(F) "Coordinator" means the state equal employment opportunity coordinator.

(G) "Economically Disadvantaged Business" means a business (including its affiliates) is at least fifty-one per cent owned and controlled by a socially and economically disadvantaged individual(s) and the size of the business does not exceed the definition of a "small business" as defined by the United States small business administration (SBA) in 13 C.F.R 121.201 (2020) and calculated in accordance with 13 C.F.R 121.101 to 121.107 (2020);

(1) To be a "small business" as defined by the SBA standards, only one main North American industry classification system (NAICS) code is used to determine the company's size standard. The main NAICS code (the code in which the majority of the company's gross receipts are generated) as identified by the Ohio department of administrative services, equal opportunity division (DAS/EOD) at the time of certification or recertification is the only NAICS code used to determine a business's size standard.

(H) "Economically Disadvantaged Individual" means an individual(s) whose ability to compete in the free enterprise system has been impaired due to diminished capital and credit opportunities as compared to others in the same or similar business(es) that are not economically disadvantaged. Economic disadvantage is based on 13 C.F.R. 124.104 (2020).

(I) "EDGE" means the encouraging diversity, growth, and equity business assistance program created pursuant to section 123.152 of the Revised Code.

(J) "EDGE Business Enterprise" means a sole proprietorship, association, partnership, corporation, limited liability company, or joint venture certified by DAS/EOD as meeting the criteria established by DAS/EOD pursuant to section 123.152 of the Revised Code; and

(1) Owned and controlled by a citizen(s) of the United States of America, who is a full-time resident(s) of the state of Ohio, and is socially and economically disadvantaged; or

(2) An economically disadvantaged business whose primary office is in a qualified HUBZone and the business is owned and controlled by an economically disadvantaged individual(s).

(3) For purposes of the EDGE program, "Socially Disadvantaged Individual(s)" means an individual(s) subjected to ethnic prejudices or cultural bias because of their identification with a particular group without regard to their individual qualities. A rebuttable presumption of social disadvantage is based on at least one of the following objective distinguishing factors that has contributed to social disadvantage:

(a) A business owner's race, color, or ethnic origin which includes the following groups:

(i) "Blacks" or "African Americans" means all individual(s) having origins in any of the black racial groups of Africa;

(ii) "American Indians" means all individual(s) maintaining culture and having origins in a federally recognized Indian tribe as listed in the current "Federal Register Notice of Indian Entities Recognized and eligible to receive services" from the United States bureau of Indian affairs;

(iii) "Hispanics" or "Latinos" means all individual(s) of Spanish or Portuguese culture with origins in Mexico, South or Central America, or the Caribbean islands, regardless of race; and
