

## Ohio Administrative Code

### Rule 123:5-1-06 Purchasing from requisite procurement programs.

Effective: [May 29, 2026](#)

---

- (A) Before purchasing any supplies or services, state agencies will submit purchase requests through the department of administrative services' electronic procurement system to determine if the needed supplies or services can be purchased from any of the first or second requisite procurement programs listed in section 125.035 of the Revised Code.
- (B) Any waiver issued pursuant to division (G) of section 125.035 of the Revised Code will not exceed the biennium in which it was issued.
