

Ohio Administrative Code

Rule 128-1-01 Internal management rules of Capitol Square Review and Advisory Board.

Effective: December 22, 2008

Purpose - The capitol square review and advisory board shall coordinate and approve any improvements, additions, deletions and renovations that are made to the capitol building, the senate building, the capitol grounds and the state underground parking garage, including, but not limited to, the placement of monuments and sculptures on the capitol grounds.

Further, the board shall regulate various uses of the capitol building, the senate building and the capitol grounds. The uses shall include, but not be limited to, the casual and recreational use of the capitol grounds.

Further, the board shall manage and maintain the capitol building, the senate building, the capitol grounds and the state underground parking garage, keeping the facility in the first-class condition and preserving the historical significance they represent.
