

Ohio Administrative Code Rule 128-4-10 Capitol square buildings appliance rule.

Effective: December 5, 2024

(A) The use of non-business appliances, which include, but are not limited to, coffee makers, refrigerators, space heaters, water coolers, and microwaves is prohibited in the capitol buildings, unless supplied by the capitol square review and advisory board.

(B) The capitol square review and advisory board shall have the sole authority to determine the types, models, locations, and number of non-business appliances to be used within the capitol buildings.
