

Ohio Administrative Code Rule 1301:8-6-05 Posting business hours.

Effective: [October 14, 2024](#)

A licensee shall post at the main door of the licensee's place of business the hours or time when the licensee's establishment is and will be open for business. A licensee shall notify the division of any change of the licensee's posted hours of operations. A licensee does not violate this rule if the licensee's failure to keep posted hours was the result of an act of God, unforeseen emergency, or other event beyond the control of the licensee.
