Ohio Administrative Code

Rule 1501-2-08 Transfer of permits.

Effective: November 6, 2026

(A) Any person intending to transfer a water diversion permit shall notify the chief, in writing, at least sixty days prior to transfer.

(B) No water diversion permits shall be transferred unless the transfer is approved by the chief in writing.

(C) The chief shall not approve the transfer of a water diversion permit unless the chief determines that:

(1) The transferor is presently in compliance with section 1521.22 of the Revised Code, rules promulgated thereunder, and the terms and conditions of its permit.

(2) The transferee assumes all responsibilities and obligations of the transferor regarding the diversion permit.

(3) In the case of a transferee who has previously held or currently holds a permit, that such transferee has previously operated or presently operates the diversion in compliance with section 1521.22 of the Revised Code, rules promulgated thereunder, and the terms and conditions of its permit.

(4) The transfer does not allow for any increase in the quantity or any change in the location or purpose of the diversion.

(5) The transfer does not alter or jeopardize compliance with any terms or condition of the permit or with any obligations assumed thereunder.

(6) The transferred permit expires on the date of the original permit.
