Ohio Administrative Code

Rule 1501-2-09 Reporting requirements.

Effective: November 6, 2026

Within sixty days after the end of each calendar year, all permittees shall furnish the chief with the following information, and such other information as the chief may require, on forms provided by the chief:

(A) The total amount of water diverted during that calendar year.

(B) The average daily and monthly volume of water diverted during that calendar year.

(C) The percentage of diverted water distributed through metered and unmetered services.

(D) The amount and percentage of diverted water used during the calendar year for each purpose listed on the application for the permit.

(E) The amount of water transferred, sold or otherwise provided from the diversion to any other named distribution system during the calendar year.

(F) Failure to comply with the reporting requirements shall be considered a violation of section 1521.22 of the Revised Code, and the permit may be subject to suspension.
