

Ohio Administrative Code

Rule 1501:15-5-09 Concentrated water erosion.

Effective: December 23, 2010

Each owner, operator, or person responsible for agricultural and silvicultural operations shall prevent pollution caused by gully erosion. Agricultural and silvicultural operations found by the chief or the chief's designee to have failed to implement best management practices (BMPs) to prevent gully erosion and have caused pollution to waters of the state shall apply and maintain BMPs such that the velocity of flow does not exceed the permissible velocities listed in the "Field Office Technical Guide."
