

Ohio Administrative Code

Rule 1501:18-2-01 Commercial taking of plants.

Effective: [November 1, 2023](#)

It is unlawful for any person to take native species of wild plants or parts thereof that are listed as endangered or threatened by rule 1501:18-1-03 of the Administrative Code, for commercial purposes from any woodlot, field, or forest, or from any other location in which such plant is found growing in its native habitat.
