

## Ohio Administrative Code

### Rule 1501:18-2-04 Legally obtained plants.

Effective: July 18, 1986

---

Any nurseryman, dealer, or individual who has legally obtained any native species of wild plants listed as endangered or threatened in rule 1501:18-1-03 of the Administrative Code from another state or commercial propagator shall provide proof upon demand that said plants were legally acquired.
