DOCUMENT #525526

Ohio Administrative Code

Rule 1501:3-2-02 Exception to hours closed.

Effective: January 9, 2004

Persons engaged in camping or going to and from campsites, persons engaged in legal hunting or fishing at night including such times as may be required for entry prior to or following completion of legal hunting or fishing, or for activities considered preparatory for legal hunting or fishing, and persons using a state forest as access to their private property, and military personnel or other persons engaged in special use under authorization of the chief of the division or authorized agent, may be present in the state forests at any time except the chief may request said persons to evacuate the area in periods of extreme wildland fire danger.
