

## Ohio Administrative Code

### Rule 1501:3-3-05 Use of campground facilities; permit required; visitors.

Effective: July 16, 1995

---

No person shall walk into or drive any vehicle into or through any designated campground, camp area or campsite or park any vehicle in a designated campground, camp area or campsite of the division in a manner which would annoy or interfere with person or persons desiring to camp or in possession of a valid camping permit.
