

Ohio Administrative Code

Rule 1501:31-13-08 Fish daily bag limits: protected species.

Effective: May 1, 2021

(A) Throughout the state it shall be unlawful for any person to take or possess more than six saugeyes, six sauger, or six walleyes, singly or in the aggregate in any one day while on any stream, river or other body of water where fishing therein requires the licenses set forth in section 1533.32 of the Revised Code; excepting therefrom the lake Erie sport fishing district in accordance with rule 1501:31-13-14 of the Administrative Code and the eastern and western fishing units of the Ohio river in accordance with rule 1501:31-13-11 of the Administrative Code.

(B) It shall be unlawful for any person to take or possess more than: one muskellunge, or one tiger muskellunge, singly or in the aggregate; or five black bass, including smallmouth, largemouth, or spotted bass singly or in the aggregate in any one day statewide except: black bass in the lake Erie sport fishing district in accordance with paragraph (V) of this rule, the eastern and western fishing units of the Ohio river in accordance with rule 1501:31-13-11, Pymatuning lake in accordance with paragraph (Q) of rule 1501:31-13-07 of the Administrative Code, or in waters with designated split daily bag limits associated with length limits as specified in paragraphs (T) and (U) of this rule.

(C) The possession limits set forth in paragraphs (A), (B), (F), (K), (M) and (V) of this rule shall not apply to such fish when transported on a commercial ferry boat in lake Erie.

(D) It shall be unlawful for any person to take or possess blue pike or sturgeon from lake Erie or any of its tributaries.

(E) It shall be unlawful for any person to take or possess white amur or grass carp (*Ctenopharyngodon idella*) from waters owned, leased, or controlled by the division of wildlife posted with a sign indicating the take or possession from such waters is prohibited.

(F) It shall be unlawful for any person to take or possess singly or in the aggregate more than five rainbow or steelhead trout, lake trout, brown trout, golden trout, coho, chinook, or pink salmon daily, from any waters in this state; excepting therefrom these areas listed in paragraph (H)(1) of rule

1501:31-13-01 of the Administrative Code. It shall be unlawful for any person to take or possess more than two trout or salmon species (as listed in this paragraph) in lake Erie and its direct and indirect tributaries from September first through May fifteenth.

(G) It shall be unlawful to take or possess more than two trout any one day in any area listed in paragraph (G)(1) of rule 1501:31-13-01 of the Administrative Code.

(H) It shall be unlawful for any person to take coho, chinook, or pink salmon by any means other than hook and line.

(I) It shall be unlawful for any person to seine or take bait in King's creek between the bridge on county road no. 223 and the Mad river.

(J) It shall be unlawful for any person to possess a fish in any form or condition other than in the round while on or when unloading the fish from a boat, while wading, while fishing from shore, or while on any waters in this state where a fishing license is required as set forth in section 1533.32 of the Revised Code, except: forage fish, rough fish, and game fish that do not have a possession or length limit on those waters, may be cut up and used for bait provided that the skin or head of the fish being used is intact so that the species is visually identifiable.

(1) It shall be unlawful to possess or transport a fish taken from any stream, river or other body of water where fishing therein requires the licenses set forth in section 1533.32 of the Revised Code unless the fish is in the round or complete fillet until a person reaches their permanent residence or until the fish is being prepared for immediate consumption. Frozen fish must be transported in such a way the fillets can be easily identified and counted.

(2) It shall be lawful to possess fish in the round or as a complete fillet while returning from the lake Erie islands on a commercial ferry boat.

(3) Paragraph (J)(1) of this rule does not apply if the fish in a person's possession are accompanied by a receipt or statement issued by a person who for consideration, hire, or resale, scales, fillets, dresses, or in any manner processes fish taken with other than commercial fishing gear or a receipt or statement issued by a licensed Ohio fishing guide. Such statement or receipt shall list the name of the

person, the number and species of fish and the date said fish were caught. It shall be unlawful to falsify any information on said statement or receipt or to provide a falsified statement or receipt to anyone.

(K) It shall be unlawful for any person to take or possess more than thirty yellow perch (*Perca flavescens*) in any one day statewide, except in the eastern and western fishing units of the Ohio river, in accordance with the rule 1501:31-13-11 of the Administrative Code, Pymatuning lake, in accordance with paragraph (Q) of rule 1501:31-13-07 of the Administrative Code, and the lake Erie sport fishing district, in accordance with rule 1501:31-13-14 of the Administrative Code.

(L) It shall be unlawful for any person to possess more than one channel catfish (*Ictalurus punctatus*) in excess of twenty-eight inches, and one flathead catfish (*Pylodictus olivaris*) in excess of thirty-five inches, and one blue catfish (*Ictalurus furcatus*) in excess of thirty-five inches in any one day statewide from any waters in the state wherein an Ohio fishing license is required by section 1533.32 of the Revised Code, except Hoover reservoir in accordance with paragraph (N) of this rule and Pymatuning lake in accordance with paragraph (Q) of rule 1501:31-13-07 of the Administrative Code.

(M) It shall be unlawful for any person to take or possess more than four channel catfish (*Ictalurus punctatus*) or blue catfish (*Ictalurus furcatus*) singly or in the aggregate, of which no more than three can be less than eighteen inches in length and no more than one can be greater than or equal to twenty eight inches in length while on the water or surrounding shoreline of the following body of water:

Hoover reservoir in Franklin and Delaware counties upstream on Big Walnut creek to the Columbus street bridge in Galena and upstream on Little Walnut creek to the state route 3 bridge.

(N) It shall be unlawful for any person to take or possess more than ten sunfish in the aggregate in any one day from each of the following areas:
