

Ohio Administrative Code Rule 1501:46-2-20 "Golden Buckeye Card" fees.

Effective: June 30, 2024

Persons who are Ohio residents and holders of a "Golden Buckeye Card," issued by the Ohio department of aging on or after September 1, 2003, are eligible for reduced rates and fees on certain recreation facilities and related activities. The discounts for qualifying persons are as follows:

(A) Fifty per cent off of the camping fees listed in rule 1501:46-2-11 of the Administrative Code. This discount does not apply to weekend camping. For the purposes of this rule, a "weekend" is defined as Friday night and Saturday night.

(B) At least ten per cent off of the regular charges for other state recreational facilities, equipment and services, and food service operations. As used in this paragraph, "food service operations" means restaurants which are owned by the department at Hocking Hills, lake Hope, Malabar Farm, and Rocky Fork state park, or are part of a state park lodge. It does not include automatic vending machines, concession stands or snack bars.
