

Ohio Administrative Code

Rule 1501:46-3-01 Posted.

Effective: September 1, 1997

"Posted" means and requires that the division shall set aside, at the area headquarters, a bulletin board or similar device upon which shall be displayed all special instructions, orders, and notices pertaining to locations in an area including but not limited to: special hours of operation, swimming and boating restrictions, hunting and trapping restrictions, and special instructions pertaining to locations where activities are curtailed or restricted. Except in emergency situations, said instructions, orders, notices, shall be displayed or signed in a location convenient to the general public. Declaration of posting shall originate with the chief of the division.
