

Ohio Administrative Code

Rule 1501:46-3-02 Temporary closing of facilities.

Effective: July 1, 1980

(A) The chief of the division or his authorized agents may temporarily close to public use and evacuate a facility or area that is determined to be hazardous for public use due to weather, water, fire, construction, or other situations involving public health, safety, or welfare.

(B) No person shall enter, use or occupy and such closed area.
