

Ohio Administrative Code Rule 1501:46-3-03 Authority of lock personnel.

Effective: November 15, 2015

Authorized lock personnel shall be charged with the immediate control and management of a navigation lock, and of the area set aside as the lock area, including the lock approach channels. Such authorized personnel shall see that all laws, rules, regulations, and signs for the use of the lock and lock area are duly complied with, to which end any and all orders and directions necessary to compel compliance may be given by authorized personnel both to employees of the state and to any and every person within the limits of the lock or lock area, whether navigating the lock or not. No one shall cause any movement of any vessel, watercraft, or other artificial contrivance used as a means of transportation on the water in the lock or lock approaches except by or under the direction of the lock personnel.
