

Ohio Administrative Code

Rule 1501:46-3-28 Special activities; permit required.

Effective: June 28, 1984

(A) No person shall conduct any special activity upon the lands or waters of the division without first obtaining a permit from the chief of the division upon application made not less than thirty days prior to the day of the proposed special activity. "Special activities" are supervised activities or events involving a number of participants or spectators, which significantly affect the public use, preservation and protection of lands or waters of the division.

(B) Announcements or notices of special activities as provided in this rule may be displayed in a manner as directed by the area manager.

(C) The division may provide a message board or similar device at the area headquarters upon which information about neighboring facilities or activities may be displayed for a reasonable period of time.
