

Ohio Administrative Code

Rule 1501:46-9-02 Use of campground facilities; permit required.

Effective: [May 8, 2020](#)

No person shall walk into or drive any vehicle into or through any controlled camp area of the division for the purpose of utilizing ramps, beaches, or other camp facilities, except such persons who are holders of a valid camping permit or a visitor's pass; nor shall any person use any facilities in a campground that are specifically provided for the use of the holders of the appropriate camping permit or a visitor's pass.
