

Ohio Administrative Code

Rule 1501:47-7-18 Lake Buckhorn, Holmes county.

Effective: January 30, 2021

(A) Operating regulations

- (1) No person shall operate a powercraft at a speed greater than idle speed or at a speed that creates a wake from sunset to sunrise.
- (2) Powercraft operating in the designated speed and ski zones shall travel in a counter-clockwise direction with the shoreline on the starboard (right) side of the powercraft.
- (3) All powercraft operating at a speed greater than idle speed shall maintain a distance of forty feet from the shore.
- (4) Swimming from watercraft shall be permitted only in designated no-wake zones.
- (5) A "wake" as used in this rule shall be defined as a track left by a watercraft in the water causing waves or swells.

(B) Restrictions

- (1) No powercraft shall tow more than two skiers, ski tubes, or other approved towable devices.
- (2) No person shall anchor, moor, dock or tie up any watercraft to any private dock facility without express permission of the owner or other authorized agent.
- (3) While being towed by a watercraft, no person shall have any type of airfoil or other device in hand or affixed to the person for the purpose of becoming airborne over the waters of lake Buckhorn.
- (4) It shall be unlawful for any watercraft to tow a parasail, kite, or any other airborne device on the waters of lake Buckhorn.

(5) The operation of seaplanes, hovercraft, mechanically propelled airboats, airfoils, and ski-free mechanisms is prohibited.
