

Ohio Administrative Code

Rule 1501:9-10-02 General.

Effective: July 1, 2024

These rules apply to all pipelines utilized in the actual drilling or operation of oil and/or natural gas wells, the producing of oil and/or natural gas wells, and the transportation of leasehold gas as more fully described herein, excepting however, those oil and/or natural gas pipelines covered by the Hazardous Materials Transportation Act (49 U.S.C. sections 1802 et seq.) or the Natural Gas Pipeline Safety Act (49 U.S.C. sections 1671, et seq.).
