

Ohio Administrative Code Rule 1501:9-9-06 Exceptions.

Effective: January 3, 1969

1501:9-9 with the exception of 1501:9-9-05(A)(10) and (D) shall not apply to any operations extant prior to the effective date of 1501:9-9. However, the Chief and inspectors have the authority to issue orders to correct operating practices on wells extant prior to the effective date of 1501:9-9 if such practices are in violation of 1501:9-9 and have proved by actual incident to be hazardous or dangerous.

Exceptions to 1501:9-9 may be granted by the Chief or his inspectors.
