(c) State of emergency: During a state of emergency declared by the governor or a federal public health emergency, the provider may, in one delivery, deliver meals to cover multiple mealtimes for consumers who received meals before the state of emergency (or federal public health emergency) by per-meal delivery or periodic delivery.

(2) Successful deliveries: The provider shall only deliver meals to the consumer's home when the consumer, or the consumer's caregiver, is home, unless otherwise authorized by the AAA.

(C) Emergency closings: The provider shall develop and implement emergency preparedness plans for emergency closings due to short-term weather-related emergencies, loss of power, kitchen malfunctions, natural disasters, a state of emergency declared by the governor (or a federal public health emergency), etc. In the procedures, the provider shall include both of the following:

(b) Delivery date.

(c) Number of meals delivered.

(d) A unique identifier of the consumer, the consumer's caregiver, or the delivery person.

(2) In the AAA-provider agreement, the AAA shall not require the provider to use a particular system. Use of either system is acceptable.
