

## Ohio Administrative Code

### Rule 173-60-02 Nursing home quality initiative: requirements for approval.

Effective: November 1, 2024

---

To qualify for ODA's approval, a qualityimprovement project shall meet all of the following:

(A) The project shall improve the quality of a nursing home.

(B) The project shall have elements that include a plan, action aimed at improving quality, evaluation of the action, and proposed new action resulting from the evaluation.

---
