

## Ohio Administrative Code

### Rule 3301-101-11 Entities designated to file applications.

Effective: June 27, 2024

---

Registered private providers, alternative public providers, and primary providers as defined in rule 3301-101-01 of the Administrative Code may be authorized to file applications on behalf of applicants if so designated in writing by the applicant. In no case will any financial charge be made to the applicant for application assistance.
